# CONVERSATION CARDS

MORNING CONVERSATION STARTERS — CUT, LAMINATE & ENJOY

*These 8 prompts are designed to spark 20–30 minutes of group conversation. Read one at a time, give residents space to respond, and follow the stories wherever they lead. Every morning was different — that's what makes this work.*

## The First Cup & the First Light

A-1

"What was the first thing you did every single morning — before anything else? Was it putting the coffee on, letting the dog out, opening the curtains? What was the very first sound or smell of your day?"

✂ CUT & LAMINATE

A-2

"Was your household a coffee family or a tea family? Do you remember the sound of the percolator bubbling, or the whistle of the kettle? How did you take yours — black, with cream, with sugar?"

✂ CUT & LAMINATE

A-3

"Did you have a morning radio station or a television program you always turned on while getting ready? What was playing — news, music, a weather report, a morning show host you felt like you knew personally?"

✂ CUT & LAMINATE

A-4

"Did the morning paper land on your porch, your front step, or out in the yard? Who got to read it first, and was there a section you always turned to — the sports page, the comics, the obituaries, Dear Abby?"

✂ CUT & LAMINATE

## Getting Ready & Getting Out the Door

B-1

"What did your morning breakfast look like — eggs and toast every day, oatmeal on the stove, cold cereal from a box, or just coffee and out the door? Was someone cooking for the family, or did everyone fend for themselves?"

✂ CUT & LAMINATE

B-2

"What did getting ready look like for you? A shave and a pressed shirt? Setting your hair in rollers the night before? Polishing your shoes? Did you have a routine you could do with your eyes closed?"

✂ CUT & LAMINATE

B-3

"If you had children, what was the morning chaos like — getting everyone fed, dressed, and out the door with their lunch boxes? Was there always one child who couldn't find a shoe or forgot their homework?"

✂ CUT & LAMINATE

B-4

"Was there a quiet moment you carved out just for yourself before the day started — sitting on the porch, standing in the yard, reading the paper in peace? What did that stillness feel like before the world got loud?"
